THE UNFITTED KITCHEN CO.

Designed by Johnny Grey Studios

AMBIENT DRESSER

This is Johnny's favourite hero piece of kitchen furniture.

It displays family heirlooms, your family culture. You can enjoy the sight of fresh bowls of fruit here and other beautiful food items that don't need the fridge. Music speakers are hidden behind the shields. And the dog might even sleep under the dresser.

Note: Corian shelves with hidden LED lighting panels are an option. These modify the brightness of LED lighting and provide a candle-like atmosphere at night.
